

From the Desk of Santa Claus

Hello  
FROM YOUR  
ELVES

Dear Violet & William

*Christmas is such a magical time of year,  
and we're grateful to spend it with you here.  
We'll be watching over you each day and night,  
and reporting to Santa if things aren't right.*

*Always try to be your very best, Santa and us will do the rest.*

*We know that you are kind and good,  
and that you always try to behave like you should.  
Christmas is a special season, and why are we here?*

*You are the reason!*

*Your Elves, Winter & Elfie*
