

# WE'RE BACK!

*Dear Angelina*

Greetings from the North Pole! ❄️ The elves have dusted off their workshop tools, the reindeer are gearing up for flight practice, and Santa is making his list and checking it twice!

We've missed spreading Christmas cheer and are so excited to kick off another magical holiday season. Your family is on the Nice List this year—way to go! ✨

Get ready for festive fun, heartfelt moments, and plenty of holiday magic. The countdown to Christmas is officially on!

Wishing you a season full of joy, laughter, and love.

Warm holiday hugs,  
Santa's Elves 🧑🏻‍🎅🏻 🌲 ✨
