

Monthly Calendar

2025 & 2026 | Fillable PDF | US Letter

The image displays a preview of a monthly calendar template for 2025 and 2026. It features six calendar pages arranged in two rows. The top row includes October 2025, November 2025, and December 2025. The bottom row includes January 2026, February 2026, and March 2026. Each calendar page has a header with the month and year, and a grid for the days. The March 2026 page is highlighted with a light blue background. The template is designed as a fillable PDF in US Letter format.
