

Merry Christmas!

FROM
THE MITCHELL FAMILY

2025

A YEAR TO REMEMBER

JANUARY

Just one dawn of the month, every day. Just replace the year with snow. Change the time if you like. There are no many stars to tell, so much to be missed. Let these trees from life's going and what is to come!

FEBRUARY

Just one dawn of the month, every day. Just replace the year with snow. Change the time if you like. There are no many stars to tell, so much to be missed. Let these trees from life's going and what is to come!

MARCH

Just one dawn of the month, every day. Just replace the year with snow. Change the time if you like. There are no many stars to tell, so much to be missed. Let these trees from life's going and what is to come!

APRIL

Just one dawn of the month, every day. Just replace the year with snow. Change the time if you like. There are no many stars to tell, so much to be missed. Let these trees from life's going and what is to come!

MAY

Just one dawn of the month, every day. Just replace the year with snow. Change the time if you like. There are no many stars to tell, so much to be missed. Let these trees from life's going and what is to come!

JUNE

Just one dawn of the month, every day. Just replace the year with snow. Change the time if you like. There are no many stars to tell, so much to be missed. Let these trees from life's going and what is to come!

JULY

Just one dawn of the month, every day. Just replace the year with snow. Change the time if you like. There are no many stars to tell, so much to be missed. Let these trees from life's going and what is to come!

AUGUST

Just one dawn of the month, every day. Just replace the year with snow. Change the time if you like. There are no many stars to tell, so much to be missed. Let these trees from life's going and what is to come!

SEPTEMBER

Just one dawn of the month, every day. Just replace the year with snow. Change the time if you like. There are no many stars to tell, so much to be missed. Let these trees from life's going and what is to come!

OCTOBER

Just one dawn of the month, every day. Just replace the year with snow. Change the time if you like. There are no many stars to tell, so much to be missed. Let these trees from life's going and what is to come!

NOVEMBER

Just one dawn of the month, every day. Just replace the year with snow. Change the time if you like. There are no many stars to tell, so much to be missed. Let these trees from life's going and what is to come!

DECEMBER

Just one dawn of the month, every day. Just replace the year with snow. Change the time if you like. There are no many stars to tell, so much to be missed. Let these trees from life's going and what is to come!
