

## *Greetings* FROM YOUR Elf

Dear Charlotte,

Hi! I am back and ready to play! I will be here with you until Christmas Day. There is so much fun for us to have here. You are different than you were last year. You've grown. I can see...but not too old to be silly with me.

Promise not to touch me, or my magic won't keep, and I promise I won't get into (too much) trouble while you sleep. Remember, I will be reporting to Santa each night. So be your best "you". Be kind and polite.

Just stay on the nice list and you'll be all set. This is a Christmas you'll never forget.

Love,  
Julian
