

I'M HERE!

Hello, hi, it's me, I'm here! I've been sent to spread some Christmas cheer. I'm your very own elf! I was sent here, to you, by Santa himself.

You won't see me talk or move, but I see everything you do. Each night I'll fly to the North Pole to tell Santa everything he wants to know.

So remember to listen and be kind.
Always keep your "please's" and "thank you's" in mind. Oh, and don't forget!
Please give me a name, I don't have one yet.

I can't wait to spend time with you this year. I'm so happy Santa sent me here.

Love, Your Elf
