

I'm here!

I will spend the holidays
with you for another year.

I will stay until Christmas Day.

I will watch and listen to what
you do and say.

Each night I will report to Santa all
that I see and hear.

Remember not to touch me, or my
magic will disappear.

Be as good as you can be,
so you will have something special
under the Christmas tree.

Your Elf,

I'm here!

I will spend the holidays
with you for another year.

I will stay until Christmas Day.

I will watch and listen to what
you do and say.

Each night I will report to Santa all
that I see and hear.

Remember not to touch me, or my
magic will disappear.

Be as good as you can be,

B&W and Color
