Happy Birthday *from your* Elves

Dear Theodore,

Your birthday is a magical time of year,
and there is no place we would rather be than here.

On this day, so special and bright,
Santa sent us here, express overnight!

To come wish you a

HAPPY BIRTHDAY!

Today we'll spend the entire day with you
and see all the fun things you get to do.

We can eat some cake and have some fun,
but when the sun goes down, we'll have to run.

Do not be sad, we can laugh and play,
when it is closer to Christmas day.

So, enjoy your special day
Filled with love, laughter,
and birthday cheer!

Your Elves, Tinsel & Trixie
