

**Grownup**

**LETTERS  
TO**

*Santa*

Recently, at a church rummage sale I picked up an animatronic Santa checking his list. On top of Santa's list someone had glued a joke list. On it were items like a horse, a she-shed and valium for the husband's nerves. With that in mind, I came up with my own grownup Christmas list and asked some of our readers to share theirs.
